## ABOUT LYNNE HACK

Lynne has represented Banstead Village on the Borough Council for over 15 years. She is passionate about **protecting our beautiful countryside** for future generations, and will continue to fight inappropriate developments in the Green Belt.

After serving the Borough as Mayor last year, Lynne was delighted to be given the Health Portfolio where she is continuing to **fight for services at Epsom Hospital**, and new and improved consulting rooms for our GPs in a redeveloped Health Centre.

Lynne has always made it a priority to **keep Council Taxes as low as possible** - believing that individuals are better placed than politicians to decide how to spend their own money.

*"I am asking for your support on 7th May so that I can continue to work for the interests of the wonderful community of Banstead. I am a Cancer Research Scientist by profession and worked for over 10 years at the Royal Marsden. I have lived in Banstead since the age of 11 and have brought up my own family here".*

### MY PRIORITIES IF YOU RE-ELECT ME:

- 1 Protecting the character of Banstead Village.** I am keen that the Village continues to be a vibrant shopping centre. I was glad to have obtained 'heritage' style streetlamps when they were being replaced, and will seek to have other street furniture replaced in the same style.
- 2 Defending the Green Belt.** I am committed to defending all green-field sites including Banstead Commons and Banstead Downs from any development.
- 3 Tackling crime & anti-social behaviour.** I am a board member of Surrey Crimestoppers and I will continue to work with the police at all levels to make our area a safer place.

### A BETTER DEAL ON EUROPE

Lynne feels strongly that we need to get a better deal for the UK if we are going to consider remaining part of the EU. We need to ensure that UK law takes precedence over EU law; end the working time directive; and reduce our financial contribution.
