

# FRANK KELLY

**A strong local voice for Merstham**

- **A committed local resident**
- **An experienced and compassionate local Councillor**

 **Vote Conservative**

## ABOUT FRANK KELLY

*"I have lived along with my family in Merstham since 1996 and have been proud to serve as your borough Councillor since 2011.*

*"Along with my fellow Merstham borough and county Councillors we have worked hard to deliver the pledges made to the people of Merstham. We have in this time seen the roll out of the recycling scheme, the regeneration planning of Portland Drive area, looked at shop placement in South Merstham and more allotment spaces.*

*"Within the council I am a member of the regulatory committee and a chair of licensing sub-committee. I also represent the council as I sit on the committees for YMCA housing, Age Concern Merstham, Redhill, Reigate and also the Colman Redland Centre.*

*"During my term I have been part of various projects including renovating the War Memorial and funding the new remembrance bench, building links with Merstham British Legion and supporting the Canada Hall project.*

*"It has been an honour to serve Merstham for the past 4 years and with your continued support on 7th May hopefully we can continue to go forward together as a community."*

## A RECORD OF ACTION, A PROMISE OF MORE

*Building on the achievements of your strong Conservative team*

### MY PRIORITIES IF YOU RE-ELECT ME:

- 1 Continuing the regeneration programme.** Following through as part of a team on the Portland Drive area regeneration and using this to bring in shopping, housing and community infrastructure for local people.
- 2 Supporting local business.** Working with retailers in all parts of Merstham to help to provide thriving community, choice and local enterprise throughout the area.
- 3 Working to further develop community group partnership.** Continue to work with groups to foster community spirit and enable the people who need help and support to access it.

If elected, I will work closely with Crispin Blunt MP, especially on issues such as protection of our Green Belt, fighting for local train services, and other issues where having a strong voice at Westminster can lead to real improvements to our quality of life here in Merstham.
