

# YOUR LOCAL CONSERVATIVES OTHERS PROMISE – WE DELIVER

PHOTOGRAPH BY ALEXANDER HORWOOD - WWW.ALEXANDERHORWOOD.COM

*Your Conservative team of councillors:  
local people committed to improving our local area*

## We've listened to your priorities and we have:

Attracted over £500m of private investment to our big regeneration projects in Redhill, Horley, Preston and Merstham

Invested over £20m in new and improved leisure centres and parks, across our Borough, including the Memorial Park and Priory Park

Set up a Joint Enforcement Team with Surrey Police—delivering services together

Helped hundreds of local people through our Young Worker Scheme, Family Support Programme and Ageing Well events

Approved our planning Core Strategy, so we can make developers pay towards local infrastructure such as health, education and roads

Invested in the new kerbside recycling service, enabling us to reach a record recycling rate of 52%

**All this whilst removing layers of management and using better technology at the Town Hall, saving a total of £9m over the last 5 years**

## Our promises to you if the Conservative team is re-elected:

<b>Making Ends Meet</b>	We will continue to reduce the Council's costs wherever possible, so that we can maintain high levels of service yet keep your Council tax down.
<b>Guarding the Green Belt</b>	We will protect and enhance our precious Green Belt by making the best use of other land first and ensuring any development meets our Borough's needs.
<b>Caring for our Community</b>	We will assist those in our community, of all ages, facing difficulties or lacking opportunities, and support our local hospitals and health services.
<b>Funding for the Future</b>	We will invest in the facilities our community needs for the long term, for transport, schools, leisure centres, business, green spaces and local groups.

*Paid for and delivered  
by local volunteers—  
printed locally too*

# YOUR COMMUNITY, YOUR COUNCIL
